Form **2678** (Rev. 8-2014)

#### **Instructions for Form 2678**

Section references are to the Internal Revenue Code.

#### **Future Developments**

For the latest information about developments related to Form 2678 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/form2678.* 

#### **Purpose of Form**

Use Form 2678 if you want to:

• Request approval to have an agent file returns and make deposits or payments of Federal Insurance Contributions Act (FICA) taxes, Railroad Retirement Tax Act (RRTA) taxes, income tax withholding (ITW), or backup withholding; or

• Revoke an existing appointment.

Do not use prior versions of this form. All prior versions are obsolete. IRS will not accept them.

#### Can Employers Appoint Agents to Report, Deposit, and Pay Federal Unemployment Tax Act (FUTA) Tax?

Generally, employers cannot appoint an agent to report, deposit, and pay FUTA tax. However, if you are an employer who receives home care service, you may ask IRS to approve an agent to act on your behalf for FUTA tax purposes. Check the box in the footnote in Part 2, line 5.

To appoint an agent to act for FUTA tax purposes, you must also appoint the agent to act for FICA taxes and ITW purposes.

### How to Complete the Form

#### Part 1: Why You Are Filing This Form

In Part 1, you will check a box to indicate why you are filing Form 2678.

• If you are an employer or payer and you want to appoint an agent, check the box that says, "You want to **appoint** an agent for tax reporting, depositing, and paying."

• If you are an employer, payer, or agent and you want to revoke an existing appointment, check the box that says, "You want to **revoke** an existing appointment."

#### Part 2: Employer or Payer Information

• If you are an employer or payer, enter your employer identification number (EIN), name, trade name, and address.

• If you are an agent revoking an existing appointment, enter the EIN, name, trade name, and address of the employer or payer for whom you have been authorized to act. The employer's or payer's signature is not required.

On line 5, check the boxes for all forms for which you want to:

• Request approval to appoint an agent to file on your behalf, or

• Revoke an agent's existing appointment.

If you are only appointing an agent for some employees, payees, or payments, check the box under *For SOME employees/payees/payments.* 

**Example 1.** You are an employer. You appoint an agent to file returns and deposit FICA taxes and ITW related to biweekly wage payments that you paid your employees. However, you make bonus wage payments directly to your employees, not through the agent. You should report the bonus payments on a return filed using your EIN.

**Example 2.** You are an employer. You appoint an agent to file returns and deposit FICA taxes and ITW for biweekly wage payments that you paid to your employees. However, you make biweekly wage payments directly to your company's executives. You should report the wage payments to the executives on a return filed using your EIN.

If you are an employer or payer and you are requesting authorization to appoint an agent, sign and date Form 2678 in Part 2. Then give the form to the agent to complete and sign Part 3.

If you are an employer or payer and you want to revoke an existing appointment, sign and date Form 2678 in Part 2. Complete Part 3. Then send the form to the address for your location under *Where To File*, later.

#### **Part 3: Agent Information**

• If you are an employer or payer and you are requesting authorization to appoint an agent, have the agent complete and sign Part 3.

• If you are an employer or payer and you want to revoke an existing appointment, complete Part 3. The agent's signature is not required. Then send the form to the address for your location under *Where To File*, later.

• If you want to accept an appointment as an agent or you are an agent who wants to revoke an existing appointment, complete Part 3 with your information. Then sign and date the form where indicated. Send the form to the address for the employer's or payer's location under *Where To File*, later.

**Note**. If an agent is a corporate officer, partner, or tax matters partner, the agent must have the authority to execute this appointment of agent.

## Filing Form 2678

Send Form 2678 to the address for the employer's or payer's location under *Where To File*, later. We will send a letter to the employer or payer and to the agent after we have approved the request. For agents of home care service recipients, we will send the approval letter only to the agent.

The authorization to act as an agent is effective on the date shown in the letter. Until we approve the request, the agent is not liable for filing any tax returns or making any deposits or payments.

Only one signature is required to revoke an agent's appointment. If an existing appointment is revoked, the IRS cannot disclose confidential tax information to anyone other than the employer or payer for periods after the appointment is revoked.

If an agent's appointment is revoked, we will send both the employer or payer and the agent a letter confirming the revocation. For agents of home care service recipients, we will send the letter confirming the revocation only to the agent. **The revocation is effective on the date shown in the letter.**

These agents may be referred to as fiscal/employer agents, household employer agents, and home care service recipient agents.

All agents, employers, and payers remain liable for filing all returns and making all tax deposits and payments while this appointment is in effect. If an agent contracts with a third party, such as a reporting agent or certified public accountant, to prepare or file the returns covered by this appointment or to make any required tax deposits or payments and the third party fails to do so, the agent, employer, and payer remain liable.

#### Instructions

#### What's New

**Fax number**. The fax number for Form 8655 is changed to 855-214-7523. When faxing Forms 8655, please send no more than 25 forms in a single transmission. If possible, please send faxes directly from your computer instead of from a fax machine.

**Updated instructions for lines 15 and 16.** The instructions for lines 15 and 16 have been clarified and now appear at the lines themselves. Please use the "YYYY/MM" format instead of the "MM/YYYY" format.

Former line 17a removed. The authorization agreement at the bottom of the form provides the disclosure authority previously covered by line 17a.

Increasing or decreasing authority. The instructions with regard to increasing or decreasing authority have been clarified. See Authority Granted.

**Termination and Revocation.** The instructions have been updated to distinguish between these terms and to explain the procedure for each. See *Terminating or Revoking an Authorization.* 

#### **Purpose of Form**

Use Form 8655 to authorize a reporting agent to:

• Sign and file certain returns. Reporting agents must file returns electronically except as provided under Rev. Proc. 2012-32. You can find Rev. Proc. 2012-32 on page 267 of Internal Revenue Bulletin 2012-34 at *www.irs.gov/pub/irs-irbs/irb12-34.pdf*. See Pub. 3112, IRS *e-file* Application and Participation, for information about e-filing and getting the reporting agent PIN;

• Make deposits and payments for certain returns. Reporting agents must make deposits and payments electronically, generally through the Electronic Federal Tax Payment System (EFTPS.gov). See Pub. 4169, Tax Professional Guide to EFTPS, and Rev. Proc. 2012-33;

 Receive duplicate copies of tax information, notices, and other written and/ or electronic communication regarding any authority granted; and

• Provide IRS with information to aid in penalty relief determinations related to the authority granted on Form 8655.

**Note.** An authorization does not relieve the taxpayer of the responsibility (or from liability for failing) to ensure that all tax returns are filed timely and that all federal tax deposits (FTDs) and federal tax payments (FTPs) are made timely. A reporting agent must notify its client of that fact and must recommend that it enroll in the Electronic Federal Tax Payment System (EFTPS) to view EFTPS deposits and payments made on the client's behalf. A reporting agent must provide this notification, in writing, upon entering into an agreement with the client and at least quarterly thereafter for as long as it provides services to that client. Sample language and other details may be found in Rev. Proc. 2012-32, Section 5.05.

#### **Authority Granted**

Once Form 8655 is signed, any authority granted is effective beginning with the period indicated on lines 15, 16, 18a, 18b, and/or 18c and continues indefinitely unless terminated or revoked by the taxpayer or reporting agent. No authorization or authority is granted for periods prior to the period(s) indicated on Form 8655.

Where authority is granted for any form, it is also effective for related forms such as the corresponding non-English language form, amended return, (Form 941-X, 941-X(PR), 943-X, 944-X, 945-X, or CT-1X), or payment voucher. For example, Form 8655 can be used to provide authorization for Form 944-SP using the entry spaces for Form 944. The form also can be used to authorize a reporting agent to make deposits and payments for other returns in the Form 1120 series, such as Form 1120-C, using the entry space for Form 1120 on line 16.

Disclosure authority is effective upon signature of taxpayer and IRS receipt of Form 8655. Any authority granted on Form 8655 does not revoke and has no effect on any authority granted on Forms 2848 or 8821, or any third-party designee checkbox authority.

To increase the authority granted to a reporting agent by a Form 8655 already in effect, submit another signed Form 8655, completing lines 1–14 and any line on which you want to add authority. To decrease the authority granted to a reporting agent by a Form 8655 already in effect, send a signed, written request to the address under *Where To File*. The preceding authorization remains in effect except as modified by the new one.

#### Where To File

Send Form 8655 to:

Internal Revenue Service Accounts Management Service Center MS 6748 RAF Team 1973 North Rulon White Blvd. Ogden, UT 84404

You can fax Form 8655 to the IRS. The number is 855-214-7523. When faxing Forms 8655, please send no more than 25 forms in a single transmission. If possible, please send faxes from your computer instead of a fax machine.

#### Additional Information

Additional information concerning reporting agent authorizations may be found in:

• **Pub. 1474,** Technical Specifications Guide for Reporting Agent Authorization and Federal Tax Depositors.

• Rev. Proc. 2012-32.

#### Substitute Form 8655

If you want to prepare and use a substitute Form 8655, see Pub. 1167, General Rules and Specifications for Substitute Forms and Schedules. If your substitute Form 8655 is approved, the form approval number must be printed in the lower left margin of each substitute Form 8655 you file with the IRS.

#### Terminating or Revoking an Authorization

If you have a valid Form 8655 on file with the IRS, the filing of a new Form 8655 indicating a new reporting agent terminates the authority of the prior reporting agent beginning with the period indicated on the new Form 8655. However, the prior reporting agent is still an authorized reporting agent and retains any previously granted disclosure authority for the periods prior to the beginning period of the new reporting agent's authorization unless specifically revoked.

If the taxpayer wants to revoke an existing authorization, such that the reporting agent would no longer be authorized to act or receive information for previously authorized tax periods, send a copy of the previously executed Form 8655 to the IRS at the address under *Where To File*, above. Re-sign the copy of the Form 8655 under the original signature. Write "REVOKE" across the top of the form. If you do not have a copy of the authorization you want to revoke, send a statement to the IRS. The statement of revocation must indicate that the authority of the reporting agent is revoked and must be signed by the taxpayer. Also, list the name and address of each reporting agent whose authority is revoked.

A reporting agent may terminate its authority by filing a statement with the IRS, either on paper or using a delete process. A reporting agent wanting to revoke its authority must submit the request in writing. The statement must be signed by the reporting agent (if filed on paper) and identify the name and address of the taxpayer and authorization(s) from which the reporting agent is withdrawing. For information on the delete process, see Pub. 1474.

#### Who Must Sign

**Electronic signature.** For guidance on optional electronic signature methods, including approved methods of authentication and signature and additional items that must appear on the Form 8655, see Pub. 1474, section 01.03.

## Consumer Directed Services Employer's Selection for Electronic Visit Verification Responsibilities

The 21st Century Cures Act is a federal law that requires states to implement Electronic Visit Verification (EVV) for all Medicaid personal care services requiring an in-home visit by a service provider, including services delivered through the Consumer Directed Services (CDS) option.

EVV is an electronic documentation system used to verify that services have been provided. The EVV system electronically documents the following information for each service visit:

- the type of service provided;
- name of the person receiving the service;
- name of the service provider (CDS employee);
- the location, including the address, where the service is provided;
- date and time the service delivery begins (clock in time);
- date and time the service delivery ends (clock out time); and
- other information HHSC determines is necessary to ensure the accurate adjudication of Medicaid claims.

When a CDS employee provides a service requiring EVV to a person, the employee must clock in to the EVV system when services begin and clock out of the EVV system when services end, using an approved electronic verification method. An electronic verification method is the method the employee will use to clock in and clock out of the EVV system. Approved methods include a mobile application, landline phone and alternative device.

The CDS employer is responsible for training the employee on clocking in and clocking out of the EVV system and must ensure the CDS employee uses the EVV system to record service visits.

Visit maintenance is the process for making corrections to clock in and clock out information in the EVV system to accurately reflect the delivery of services. For example, the CDS employer, or their Financial Management Services Agency (FMSA), must perform visit maintenance if an employee clocks in through the EVV system at the beginning of a shift but forgets to clock out at the end of the shift. In this case, the CDS employer or FMSA will add the clock out time and adjust the time worked in the EVV system. All required visit maintenance must be completed before the FMSA submits an EVV claim for payment.

#### The CDS employer acknowledges:

My FMSA has explained my responsibilities for using EVV.

I understand that I must complete the following required EVV trainings prior to using the EVV system:

- EVV system training conducted by the EVV vendor or my FMSA; and
- EVV policy training conducted by my FMSA, the Texas Health and Human Services Commission (HHSC) or my managed care organization (MCO), if I have one.

I understand that I will not receive access to the EVV system until I have taken the EVV system training.

I understand that I must use the EVV system listed below, chosen by my FMSA.

EVV System Name: VESTA

#### Selection for EVV Visit Maintenance Responsibilities:

I understand that I am always responsible for approving the time my employee has worked. Also, I understand that for a service requiring EVV, I can enter my approval of the time worked in the EVV system or I can request that the FMSA confirm my approval of the time worked in the EVV system.

Further, I understand that I must choose to perform visit maintenance in the EVV system, or I can choose to delegate the performance of visit maintenance to my FMSA. If I delegate visit maintenance to my FMSA, I must enter in the EVV system my approval of any changes made by the FMSA as part of visit maintenance or I must have the FMSA confirm in the EVV system my approval of any changes. I choose the following option: Select an option:

Ontion 1:	I will enter my approval of the time my CDS employee worked in the EVV system and I will perform visit maintenance in
	I will enter my approval of the time my CDS employee worked in the EVV system and I will perform visit maintenance in the EVV system.

I will enter my approval of the time my CDS employee worked in the EVV system. I delegate the performance of visit maintenance to the FMSA. After the FMSA completes visit maintenance, I will enter my approval in the EVV system of any changes to time worked made by the FMSA, if necessary, as part of visit maintenance.

I understand that regardless of the option I have chosen, I must receive training on the EVV system, including training on clocking in and clocking out of the EVV system, and I must train my CDS employees on how to clock in and clock out of the EVV system.

I understand that the FMSA will review EVV visits to ensure the time worked by a CDS employee is within the hours authorized on the person's service plan and the CDS budget.

I elect to have my Designated Representative (DR) assist me with the EVV responsibilities described on this form.

I understand that my DR must take the EVV system training and EVV policy training prior to assisting me with using the EVV system.

I agree to complete a new form if any of the information provided on this form changes or if I want to choose a different option than that identified above.
